

## **Reading Intent and Impact**

### **Reading Intent:**

At Stondon and Shillington Lower Schools, our aim is for every child to become a fluent reader. We want children to become fluent readers in order for them to reach age related expectations or make accelerated progress from their starting point. As well as this we want children to develop a love for reading and read for pleasure on a regular basis.

Our curriculum is designed around the needs of the pupils and there are a variety of approaches to enable the pupils to make good progress.

The aims of teaching reading in our school are to develop pupils who:

- show high levels of achievement and exhibit very positive attitudes towards reading;
- rapidly acquire a secure knowledge of letters and sounds and make sustained progress in learning to read fluently;
- read easily and fluently with good understanding across both fiction and non-fiction;
- acquire a wider vocabulary;
- participate in the teaching of phonics knowledge, skills and understanding in a systematic and enjoyable way;
- develop their reading in all subjects to support their acquisition of knowledge;
- develop a love of reading;
- read for pleasure both at home and school on a regular basis;
- through their reading develop culturally, emotionally, intellectually, socially and spiritually;
- develop good comprehension drawing from their linguistic knowledge.

### **Special Educational Needs Disability (SEND) / Pupil Premium / Higher Attainers**

All children will have Quality First Teaching. Any children with identified SEND or in receipt of pupil premium funding may have work additional to and different from their peers in order to access the curriculum dependent upon their needs. As well as this, our school offers a demanding and varied curriculum, providing children with a range of opportunities in order for them to reach their full potential and consistently achieve highly from their starting points.

### **Reading Impact:**

Reading in our schools is progressive and planned to meet the needs of all children. Assessments are carried out regularly to ensure children are accessing books of the right level and are being challenged in their reading. At the same time, we provide books to ensure that children read for pleasure and learn to love reading using our library books.

If children are keeping up with the curriculum, they are deemed to be making expected or more than expected progress. In addition, we measure the impact of our curriculum through the following methods:

- Phonics assessment;
- Phonics screening results;
- Book band colour – assessed using Benchmarking;

The implementation of Letters and Sounds phonics has a huge impact on our phonics screening results. The teaching of phonics in our school is systematic and all staff are regularly updated with any changes. Training is delivered where necessary
