Everyone, every chance, every day!

Wednesday 2<sup>nd</sup> September

Dear Children,

I just wanted to write to you all today to say how excited we all are and how much we are looking forward to seeing you back at school next week. Your teachers are really busy getting your classrooms ready for you all and planning your learning.

It has been a difficult time since March when we went into Lockdown and then in June and July when we were only allowed some of you back! That was very strange indeed. We wanted to have you all back but it wasn't safe and we didn't have enough classrooms or adults to space you all out.

From Monday however, we are expecting to see you all back in your classes and we will be super excited! Some things will be a bit different but lots will be just the same.

I know that most of you will be a bit anxious and maybe nervous and you will have worries and questions. Please don't worry! All your teachers will help you to understand and follow all the arrangements to make sure that you can stay safe and happy. Remember to share your worries with an adult in school so we can help you.

Enjoy the last few days of the holidays and the weekend. Make sure you go to bed at a sensible time without any arguing with your grownups!

From Miss Woodham and Mrs Dumpleton
