

EVERY DAY
MAY NOT BE
GOOD.
BUT THERE IS
SOMETHING
GOOD IN
EVERY DAY.

Shillington Lower School

12th March 2021

The Weekly Round Up

The school is alive with the sound of learning! We have been so happy this week to have all of our children back in school. Everyone seems to have settled back in to the swing of school life and are pleased to be back to some normality.

Thank you to everyone for your continued support and sticking to the arrangements when dropping and collecting your children to and from school. We are aware that these routes are not always the most convenient but we thank you for your understanding.

We are now just two weeks away from the Easter holidays and we want to be able to keep everyone safe and in school.

If you haven't done so already please consider taking up the Government's offer of providing all parents and carers of school age children with lateral flow tests (details are below.) The more households who are taking part in regular testing means that more positive cases within households are found and stopped from entering schools.

You may feel fine

But it's good to know

Simple | Fast | Self-Swab

GET YOUR COVID-19 TEST TODAY

All parents and carers of school aged children now have access to free lateral flow tests. You can pick them up from a local test centre or they can be delivered directly to your home. All information can be found here: <https://www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-school-pupils-and-staff>

Please remember we are a **NUT FREE SCHOOL**—do not put any nut products or products containing nuts in packed lunch boxes

REMEMBER

Key reminders from this week:

19th March—Red Nose Day—Dress as a super hero or optional non-uniform—Donations direct to Comic Relief

RSE Parent information session

In response to the Relationship and Sex Health Education (RSE) Parent consultation which we sent out last month Mrs Young is inviting parents to a virtual session on Wednesday 17th March at 2pm where she will share with you a sample of resources which we will be using in school. If you would like to attend please contact the school office and the Teams link will be sent out to you.
